## **Notes:**

A. Wyoming Department of Health Public Health Insurance Program, Medicaid General Provider Information, Chapter 15 - Federally Qualified Health Centers (FQHC). Section 15.1.3 "Multiple encounters within the FQHC, on the same day, with different practioners are still considered one encounter UNLESS the client suffers illness or injury requiring treatment unrelated to the first encounter or if the clients have both a medical visit and other health visit, as defined above."
